TURKEY ART

Dear Parents,

To go along with our Turkey Story Unit, I'm asking your child to create a turkey out of any material to share with the class. Please assist your child in finding his/her items to create a turkey. It should be safe, and easy for them to transport to class. This is a great opportunity for some awesome bonding time!

Here are some material ideas:
Macaroni
Paper
Milk Cartons
Paint
Cardboard
Rope
Puzzle Pieces
Corn
Buttons
Feathers

Please send the projects in by _____.
We will share the turkey art with the class as they come in, and I will return them the week after the due date.

Thank you!
