DEAR FAMILIES

Our class is celebrating the 100th day of school. The students are very excited for this celebration. We will have a fun day filled with learning about the number 100.

For a home project, I'm requesting that every student send in 100 items in a Ziplock bag to share with the rest of the class on the 100th day.

Examples:

Coins
Pom poms
Popcorn
Seeds
Buttons

Please send in your child's item

DEAR FAMILIES

Our class is celebrating the 100th day of school. The students are very excited for this celebration. We will have a fun day filled with learning about the number 100.

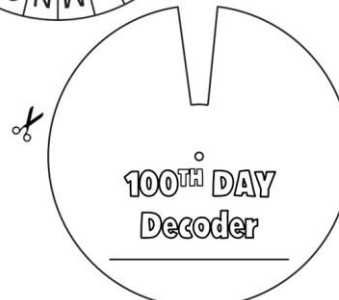

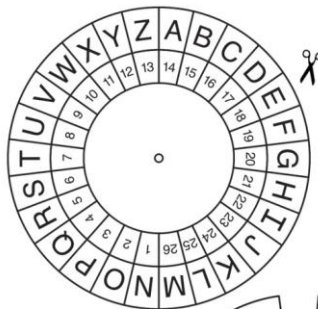

For a home project, we invite the students to dress up like they are 100 years old. Be creative with glasses, hair, and outfits! The hundredth day is a fun celebration with students engaged all day in learning about number concepts!

Please have students dress up on
