Parts of the Pumpkin

Name _____

ROLL and Dot

Roll the die. Color or dot the circle with the same number. Keep rolling until all the numbers have been colored.

Pumpkin FACTS

Pumpkins are part of the squash family. The pumpkin flowers are edible. The largest pumpkin pie ever made was over five feet around and over 350 pounds. Pumpkins are round with smooth slightly ribbed skin, and often deep yellow to orange color. The shell is thick and contains the seeds and pulp. Pumpkins are 90% water. They grow on a vine. Indigenous people used pumpkins for food and medicine.
