

FINGERPRINT ART GIFT

Updated

Calendar
Keepsake
2022

Directions: Print out Pages 3-16. Have students add fingerprint art to the front cover. Then on page 4, they will use fingerprints to fill in the heart and sign the poem. Below are suggestions for what you can do with fingerprints on each calendar month page. Search [fingerprint art](#) online to find more ideas. You can use paint, washable markers or stamp pads to make the fingerprints. Put construction paper under the cover and on the back, put in order. Then bind the book with staples, ribbons or rings. Parents love this keepsake! There are monthly picture planning pages provided for students to plan their fingerprint art prior to making the calendar.
