

PLANNING

Here are some suggestions for having a fun WACKY WEDNESDAY!

- Visit a website or YouTube video by searching Wacky Thing for Kids or make a chart of wacky things kids do (eat olives when they are on their fingers, playing with slime…) Define the word Wacky. (p.27)
- Send home the Fun Reading Week Parent Letter pg. 4
- Read Wacky Stories to your Class
- Use the WACKY Acrostic Poem page. 5, to get students thinking about why being "wacky" can be fun. (see sample, pg. 6)
- Choose a new rhyming book to read. Have students make a silly Rhyming Word Tree using Pg. 8. Use pg. 9-10 to have students write a Wacky Story using their Rhyming Words off the tree they made the day before.
- Make Blue Noodles (add a little food coloring) and add some goldfish (Check about food allergies prior to this activity.) Talk about how WACKY food can look. Do pg. 11 – Fill in the rhyming word to make a poem about Blue Noodles and Goldfish. Create a text connection to the noodles.
- Use pages 12-16 To have students create their own Wacky Animal and write about it.
