Read the passage, answer the questions, and highlight information found in the text you used to answer the questions. Circle the word family words.

Yellow Vest

Construction workers often wear yellow vests. This way, they can be seen easily by the rest of the workers while on the job site. If you see a person working on a busy road, they may be wearing a brightly colored vest. Some vests have reflective stripes to help drivers see workers at night. The color and the reflective stripes help workers stay safe!

1. Who wears a yellow vest?
2. Why do they wear yellow vests?
3. When should workers have reflective stripes on their vests?
4. What other colors might be good for a safety vest?
5. Describe what drivers might see at night.
